Dear student,

congratulations on being admitted to study at the University of Primorska (UP). We're delighted to have you on board.

Deciding to study abroad is an exciting experience and we are sure you have many questions about the next steps you should take before your arrival at UP. This booklet was prepared in order to present you our university and give you information that will help you make your stay at UP a valuable study experience as well as an unforgettable life experience.

Should any questions remain unanswered after reading this booklet, please do not hesitate to contact us on erasmus.incoming@upr.si

We will be at your disposal also personally during the Orientation days for Incoming Students that we organize before the start of each semester, during the last week in September and in middle February.

The term Slovenian Istria designates the northernmost and northwestern part of the Istrian Peninsula between the Kvarner Gulf and the Gulf of Trieste. This is a very picturesque and varied area with old city cores, picturesque villages and hamlets, characterised by vineyards, olive trees and Mediterranean fruit trees.

On »Obala« there are three famous ancient coastal towns: Koper, Izola and Piran with Portorož.

A wide range of events is offered on the Slovenian coast all year round, both in coastal towns and in the surrounding villages. You can enjoy in an incredible number of festivals as well as several sports events ashore and at sea.

University of Primorska - UP

The University of Primorska is a public university founded in 2003. The university is located in Slovenia's coastal region, between the borders of Italy and Croatia in an officially bilingual region (Slovenian, Italian).

The members of the University of Primorska are:

- Faculty of Humanities
- Faculty of Management
- Faculty of Mathematics, Natural Sciences and Information Technologies
- Faculty of Tourism Studies – Turistica
- Faculty of Health Sciences
- Faculty of Education
- Andrej Marušič Institute
- Student Residences
- University Library

The university also has two associate members:

- Faculty of Design Ljubljana
- Valdoltra Orthopaedic Hospital

The University of Primorska offers a rich variety of academic and scientific disciplines to more than 5000 students. Within our high-quality, diverse and content attractive study programmes we stimulate students' curiosity and encourage them to find solutions through the application of different techniques and sciences.

With partners from all over the world, the University of Primorska enables international mobility of students, researchers, higher education teachers and staff members. The university actively participates in international networks and is a member of several international associations.

Application Procedures for Exchange Students

Students who wish to study at the University of Primorska as part of a mobility exchange should follow the ON-LINE APPLICATION PROCEDURE and submit the online Student Application Form available at <https://vis.upr.si/studij/studexchange>.

Student Application Form is formed by Learning Agreement, Housing Request Form and Student Card Form.

The deadline for the submission of applications:

- 15th June for the Autumn (first) semester or full academic year;
- 15th November for the Spring (second) semester.

Please note:

For more precise information concerning the enrolment in specific type of mobility exchange programme (Erasmus+/CEEPUS/other) please consult our web page: www.upr.si (section: International Relations).

Acceptance Letter

The Acceptance Letter for study exchange at the University of Primorska will be sent to students by the Faculty coordinators after the deadline for applications expires.

The Faculty coordinators will also provide the confirmation of Learning Agreements and therefore any questions relating to study contents should be addressed to them.

Please note:

International students who wish to enrol in the first year at the University of Primorska follow a different application procedure. For more information please contact the Admissions Office (VPIS UP) at vpis@upr.si or consult our web page: <https://www.upr.si/en/study/enrolment>

Monthly student living costs in Koper

ACCOMODATION
(including gas, water
and electricity):
190-250 €

FOOD:
150 €

SHOPPING:
40 €

ENTERTAINMENT:
25 €

Accommodation and Costs of Living

The University of Primorska will help you find appropriate accommodation. Exchange students are accommodated mainly in private apartments, as there are not enough places in our student dormitories. The monthly rent (with additional costs included) in private apartments may vary between € 190 and € 250 per person in shared room/shared apartment. Landlords usually ask students to pay the reservation/caution fee prior to their arrival.

In order to cover all your basic living costs, including accommodation, food, books, public transport etc. you will need approximately € 500 per month.

Healthcare

The European Health Insurance Card (EHIC) is a free card that gives you access to medically necessary, state-provided healthcare during a temporary stay in any of the 28 EU countries, Iceland, Liechtenstein, Norway and Switzerland, under the same conditions and at the same cost (free in some countries) as people insured in that country. EHIC is issued by your national health insurance provider.

Important:

- **EHIC is not an alternative to travel insurance. It does not cover any private healthcare or costs such as a return flight to your home country or lost/stolen property;**
- **EHIC does not guarantee free services. As each country's healthcare system is different, services that cost nothing at home might not be free in another country. If you have to pay for health services in Slovenia, you will be reimbursed when you return home.**

For citizens of other countries, before arriving in Slovenia it is best to take out international travel insurance, including health insurance. We recommend this also to students coming from EU countries, Iceland, Liechtenstein, Norway and Switzerland.

For other information regarding health services, please contact HIIS/ZZZS:
<http://www.zzsz.si/indexeng.html>

Ljubljana - the cityscape, guarded by the prominent Ljubljana Castle, was shaped by the widely-celebrated architect Jože Plečnik. Whether you are a lover of culture and art or seek culinary delights, Ljubljana has something to offer that will not fail to impress.

Bled - the Alpine lake with the only island in Slovenia has been a world-renowned paradise for centuries, impressing visitors with its natural beauty, wealth of legend, and special powers to restore well-being.

Škocjan Caves, listed among the UNESCO world heritage sites, with the fascinating stalactite and stalagmite structures, bifurcated cave tunnels, and the deepest and largest underground canyon in the world are truly awe-inspiring.

Lipica: Did you know that the noble white Lipizzaner horses are from Slovenia? Their original stud farm has been in Lipica since 1580. It is a cultural and historical monument, which impresses visitors with its horses and its surprising landscape.

Postojna Cave is the only karst cave with a cave railway that takes you to the underground network of karst tunnels, galleries, halls, and the oldest underground post office in the world. You can also see the most famous underground animal – the human fish (proteus).

Piran - the old port town with remnants of a medieval wall is protected as a cultural and historical monument. Narrow streets with closely constructed houses descending from the hill and its church to the central square on the coast only emphasise its Mediterranean character.

Portorož with its hotels, marina, airport, casinos, wellness centres and numerous events in the 'port of flowers' (the literal translation of the town's name) continues to be amongst the most popular Slovenian tourist destination.

Koper (Slovenian pronunciation: ['ko:pəɾ]; Italian: Capodistria) is the fifth largest city in Slovenia. The importance of Koper in this region can be sought in its rich history that has seen changes of various reigns and states, all of which marked the city with their specific traits and names. Today, Koper is a commercial, tourist and university city that continues developing its offer in terms of seaside resorts, nautical tourism, culture, sports and shopping. With a unique ecology and biodiversity, it is considered an important national natural resource. The city's Port of Koper is the major contributor to the economy of the eponymous city municipality.

Izola is a picturesque mosaic of tradition, history, architectural sights and hospitable people, a place featuring the harmonious coexistence of different nationalities. A host of art galleries and pleasant inns can be found when walking along the streets of the old city centre.

Entry into the Republic of Slovenia

The ways and conditions of entry into the Republic of Slovenia (RS) differ with regards to whether you are a citizen of a EEA Member State (EEA citizens are nationals of EU Member States, Norway, Iceland and Liechtenstein) or Switzerland or a third-country national (all other states).

Nationals of EU, Norway, Iceland, Liechtenstein and Switzerland

For nationals of EU, Norway, Iceland, Liechtenstein and Switzerland a valid personal identity document (passport or personal identity card) is sufficient to enter the Republic of Slovenia.

Entrants may stay in the territory of the Republic of Slovenia for up to 90 days of their entry in the country, however they are obliged to report the temporary address to the Police or relevant administrative unit.

In the event of exceeding 90 days, the entrants must apply for a residence registration certificate. This can be obtained from the administrative unit within the residential district (the list of administrative units is at the end of this booklet) by submitting the prescribed application form and the following documents:

- **Personal photo (35 x 45 mm)**
- **Valid identity card or a valid passport and a copy of the first page**
- **Certificate of enrolment**
- **Proof of health insurance copy (EHIC is sufficient)**
- **Proof of sufficient funds for subsistence (your signed statement is sufficient)**

If all the conditions for issuing the certificate are fulfilled, the administrative unit shall issue the residence registration certificate, valid for five years or for the duration of the intended period of residence in the Republic of Slovenia (if the latter is less than five years).

Third-country Nationals

A national of a third country who wishes to enter and reside in the Republic of Slovenia for the purposes of a tourist, business, personal or other type of visit should obtain a visa¹ at a diplomatic mission or consular post of the Republic of Slovenia prior to their entering the country, unless they come from a group of countries which do not require a visa or if they are already in possession of one of the following permissions.

The first temporary residence permit for non-EU nationals may be issued after entry into Slovenia under certain conditions stipulated by law to international students who are lawfully residing in Slovenia on the basis of a valid passport or identity card (where no visa is required), Visa Type C² or a valid residence permit issued for study purposes in another EU member state, or Visa Type D³ issued for study purposes in another EU member state. Within the 90 day period or after the expiration of Visa Type D, they are obliged to apply for a first residence permit at the relevant administrative unit.

The non-EU nationals who have a valid residence permit issued by another state that is party to the Schengen Agreement, may enter the Republic of Slovenia on the basis of this permit and a valid travel document and stay there for no longer than three months in a six-month period, which includes the combined duration of their stay in all Schengen States except for the state which issued the visa, starting on the date of the first entry into one of Schengen

-
- 1 To obtain a visa, a third-country national must submit a relevant visa application form and required documentation, which can be different to that in their local country. The list of required documentation is posted on the webpage of the diplomatic mission or consular post, which has the authority to issue visas. During the procedure, the applicant must also present a guarantee letter, authenticated at the nearest administrative unit.
 - 2 A uniform visa (Type C) is a permission to enter the country and is issued to a third-country national for a short-term stay (up to 90 days). The visa application is deposited at the Schengen country which is the goal of the travel and not just any country. This type of visas can be issued for Slovenia by other Schengen countries if they have a valid agreement on visa matters.
 - 3 Visa Type D or a national visa gives a permission to enter and stay in the country for the duration of more than 90 days and less than one year. This visa may be issued to certain categories of third-country nationals, which are defined in Article 20 of the Aliens Act. Third-country nationals who do not require a visa may also apply for it. Type D visa can not be extended. The holder of a visa can apply for a residence permit directly at an administrative unit.

States or until the expiry of visa validity if this is shorter. Within 90 days period, they are obliged to apply for first residence permit at the relevant administrative unit in Slovenia.

A third-country national can obtain the first residence permit from the administrative unit within the residential district by submitting the prescribed application form and the following documents:

- **Personal photo (35 x 45 mm)**
- **Valid identity card or a valid passport and a copy of the first page and a page with the entry stamp to the Republic of Slovenia; a copy of visa is also needed in case the visa was needed for entering the Republic of Slovenia**
- **Certificate of enrolment**
- **Proof of sufficient funds for subsistence in the minimum monthly amount of the basic minimum income in the Republic of Slovenia**
- **Proof of health insurance in the Republic of Slovenia in the minimum amount of insurance coverage € 30,000**
- **Police clearance certificate not older than three months issued by the home country (if the country in question issues it), translated into Slovenian, and verified**
- **Fingerprints**

How to reach us?

By car

There are major motorways connecting Slovenia with Italy, Austria, Hungary, and Croatia. To drive on motorways in Slovenia you must have a vignette, a toll sticker you must purchase at gas stations and shops and attach it on the inside of your car windscreen.

By bus or train

Buses and trains to Slovenia drive every day from numerous European cities. It is also possible to arrive by sleeping cars. Internal bus transport is relatively inexpensive.

By plane

The nearest airports are the international Jože Pučnik Airport in Ljubljana, Slovenia (Brnik - 23 km north-west of Ljubljana and 135 km from Koper), the Trieste International Airport, Italy (Ronchi - 62 km from Koper) and the Pula international Airport, Croatia (Pula - 99 km from Koper). From airports to Koper there are bus lines and other transfers.

Part Two:

Welcome to UP

Studying at UP

UP offers study programmes at undergraduate (first cycle) and postgraduate level (second and third cycle). All study programmes are internationally comparable. The workload of one academic year equals 60 ECTS credits (European Credit Transfer System).

The European Credit Transfer System is based on the total amount of work a student has to produce; it not only takes class hours/attendance into account but also time spent on personal research, as well as preparing for and taking exams or tests.

1 ECTS credit is the equivalent of approximately 30 working/learning hours.

Credits are awarded only when the course has been completed and all required examinations have been successfully taken. The use of this system makes transfers from foreign institutions easier.

Academic Calendar

The academic year is divided into two semesters:

- Autumn (first) semester: from the beginning of October to the end of January

- Spring (second) semester: from the mid-February to the beginning of June

and three examination periods:

- Winter examination period: from mid-January to mid-February

- Summer examination period: from the beginning of June to the beginning of July

- Autumn examination period: from mid-August to mid-September

At some faculties the academic year may be divided into quarters.

Grading System

Slovenian grading scheme	ECTS grading scheme	Description of the grades
10 (Excellent)	A (Excellent)	Outstanding performance with only minor errors.
9 (Very Good)	B (Very Good)	Above the average standard but with some errors.
8 (Very Good)	C (Good)	Generally sound work with a number of notable errors.
7 (Good)	D (Satisfactory)	Fair but with significant shortcomings.
6 (Poor)	E (Sufficient)	Performance meets the minimum criteria.
5 – 1 (Unsatisfactory)	F, FX (Fail)	Considerable further work is required.

The student's obligation may also be assessed with a descriptive grade of »passed« or »not passed« and »recognized« or »not recognized« if so determined by the study programme.

The University of Primorska uses also the European Grade Conversion System – EGRACONS. The tool enables a transparent interpretation of students' accomplishments abroad: <https://tool.egracons.eu>

Language of Instruction

In principle, the language of instruction is Slovenian. However, during personal consultations foreign students can communicate with their professors and lecturers in English. At some faculties, individual courses may be conducted in English if enough students are registered.

Beside study programmes in Slovenian, the University of Primorska offers also several study programmes in English language.

Learn Slovenian

The Faculty of Humanities offers free Slovenian language courses (basic level (A1), intermediate level (A2) and advance level (B1)) as a part of regular study programme. The elective subject Slovenian language as a second / foreign language has the duration of 60 contact hours

(6 ECTS) and is intended for international students of the University of Primorska. For detailed information on the courses, please visit:

<http://www.fhs.upr.si/sl/mednarodno-sodelovanje/erasmus-za-studente/slovenscina-za-tujce>

International students may also attend the Summer School of the Slovenian language on the Slovenian Coast known as »Hello, this is the Slovenian Mediterranean!« held every year in July at the Faculty of Humanities. During the Summer School session students can take the elementary, intermediate or advanced 40-hour, 2-week course, with accompanying activities (field trips, workshops, lectures and theme nights).

Contacts for Exchange Students - Mobility Coordinators

All students who participate in the Erasmus+ and other student exchange programmes get support both at the university and faculty level.

The University Department for Education, International Cooperation and Quality Assurance provides information about application procedures and deadlines, helps with accommodation arrangements and other areas related to studying and living in Slovenia.

The Department cooperates closely with faculties' international offices as at each faculty of the University of Primorska a coordinator is available to students who participate in mobility programmes.

Student Life

Student Identification Card

Exchange students receive a student ID card that permits entry to various university facilities. In addition, it allows students to eat in numerous restaurants and eating facilities at reduced prices. The card allows discounts when purchasing entry tickets for swimming pools, fitness centres, museums, shops and some types of public transport.

Student Societies

Joining a student society is one of the best ways to meet fellow students and discover what the university has to offer.

Student Organization of the University of Primorska (ŠOUP) is active in the following areas: culture, sport and student recreation, social affairs, higher education, student counselling and international cooperation. ŠOUP provides consultation services and a variety of social gatherings and events (cultural, volunteering, sports, recreational and other events) to enrich the student life experience at the University of Primorska.

Together with the university, ŠOUP has established the widely known and acclaimed Academic Choir of the University of Primorska where choral enthusiasts enjoy music.

Sports activities for students are organized within the University Sport Association of Primorska (UŠZP). The »Zdrava zabava« card members can participate at free sport recreations and get student discounts on courses, fitness and other sport facilities (<https://www.uszp.si/en>). The Counseling Centre of Primorska (PRIMSS), also under the auspices of ŠOUP, includes psychosocial services and legal protection.

At the faculty level, students are active in Student Councils of the members of the university; the University Student Council is a body of the university representing the interests of students.

University Library and Public Libraries

University Library has branch libraries operating at different locations. Every faculty has its own library where students can use or borrow study materials and professional literature. Students enrolled at any of the university members can access the libraries of the other members free of charge. Further, the libraries and computer rooms offer students free access to the Internet for study purposes. Wireless Internet is available to all students of the University of Primorska.

Apart from the University Library, public libraries are also located in Koper, Izola and Piran.

Career Center of the University of Primorska

Career Center of the University of Primorska serves as the information and counselling point for students, graduates and others who would like to plan and develop their career path. Within career counselling, it helps students to uncover their potentials and learn how to use competences gained during their various life and study experiences, including an international mobility experience, in their future career and life. Career Center offers also different workshops, seminars, courses and other forms of lifelong-learning activities.

Food

Slovenia has a lot of traditional foods that differ greatly from one another. On the Slovenian coast, the cuisine is under a considerable influence of the Italian and Mediterranean cuisine. Some good seafood, pasta and pizza is a »must« to try.

You can buy Slovenian food and home-made products, such as top quality cheeses and dairy products, cured meat products, excellent wines, and honey in a marketplace and in specialised stores.

Banks

As a foreigner, you can open a bank account practically in any bank. You will be able to open a residential or a non-residential bank account, depending on your residence permit status. Anyone who wants to open a bank account in Slovenia, has to obtain a Slovenian tax

number. If you already have a residence permit, you will be issued a residential tax number, otherwise a non-residential one.

Banks exchange foreign currency for euro and vice versa. Money exchange is also possible at exchange offices in hotels, at gas stations, tourist agencies, supermarkets, and numerous small exchange offices.

You can withdraw cash 24 hours a day from cash dispensers (ATMs) around the country. Most cash dispensers also accept MasterCard, Visa, Maestro, Cirrus and Visa Electron Plus. Many of them offer other types of services in addition to cash withdrawals.

Shops

Working hours are mostly non-stop and do not close for lunch time.

MON–FRI 7.00/9.00 to 19.00/21.00

SAT 7.00/9.00 to 13.00/15.00

SUN 9.00 to 13.00 (large shopping centres, on-duty pharmacies etc.)

*The opening times of shops may vary. Some basic essentials are available 24 hours a day at gas stations.

Social Media

There are a couple of good Facebook groups where you can buy second-hand items (including furniture, bikes and clothes) and they can also help you find your accommodation.
